He assaults
me day
and night

Ever since the
first moment
Eousa
appeared,

splash

but,

even
so,

it's
weird

An
hour

Nobody...

Could it be...

Then, who was it?

Well, you have to sleep.

Yeah...

See you.

Yeah.

It was Kouzuki?

Were you sleeping?
I'm sorry...

Ugh...

That's good.

No... I was awake.

There's nothing I need. Don't worry..

I was thinking of going to your house after work.

What's up?

Oh?

Then, do you clean up?

No.

What?

Well... you left me some pudding, didn't you?

Are you kidding?

I didn't do any of that..

I just can't tell - the one.

Kou-zuki

Your face is really red.
Did your fever go up?

A cold?

You just said you were about to go to work.

Then, he made it?

What...?

What did you do while I slept?

How long?

Shower me sun-
cously.

WRAAA, are you imagining something perverted?

I changed your clothes

Now that he mentions it...

Also,

And looked at you while you slept.

I cleaned up the room

Prepared the per-
night.

Can I really trust his words?

I didn't, I didn't!

I thought of doing something but I stopped myself.

HEY!

.....

You didn't do anything weird?

What are
you up to?

Do you
have hidden
events...?

Yep

You
made me
permage

Strange

And you
cleaned
up

You're kinder
than usual
today.

There's
something...

Don't
you think
so?

When you're
sick, you should
let yourself be
permerged.

"When you're
sad, you should
let yourself be
pampered."

I knew this
would
happen...

Excuse...

You're able
to go to
work after
this.
